Timekeeper:	Kevin Soutar		
Attendees:	Mauricio Pereira, Kevin Soutar, Andrew Asciutto		
Please read:	Powerpoints, Crypto research data		
Please bring:	Computers, Github, Google slides		

Minutes

Agenda item: Structure of presentation and data **Presenter:** All of us chimed in

Discussion:

The discussion consisted of figuring out the flow of the presentation slides and sections based on the researched data about Crypto.

Conclusions:

We decided to structure the presentation slides to teach the audience about Crypto first and what is being asked. The second half goes over how the new crypto should be designed and features.

Action items	Person responsible	Deadline
✓ Create an intro, and what is crypto section	Andrew	11/21/2023
✓ Create a contact information, features information	Kevin	11/21/202311/21/2023
